

INSTRUCTIONS:

Cut out the black space marked A on the tomb.

Using a similar method to day four (the madman) - fold page one into a triangle and glue at the top. This leaves a space inside the tomb.

Make a 'stone to stick on to the tomb using a sellotape 'hinge'

Colour and cut out characters - by folding the tabs at the base you can stick Lazarus inside the tomb and Jesus can be mounted on the front of the scene.
